## *General Registration Information*

Dear Parent or Guardian,

Thank you for your interest in enrolling your child at our school for the upcoming school year. If you choose to register, please fill out the General Registration Form and return it to the Preschool. Placement will be on a first-come basis using your original date of pre-registration/ being added to the waitlist. However, if this form is not received promptly, your place may be assigned to the next child on the list.

### **\*\*PLEASE BE SURE TO READ THE POLICY SUMMARY FOR PARENTS\*\***

Learning for Little People is a parent run preschool. The preschools' function depends on the hard working efforts of its volunteer parents as well as the volunteer Board of Directors. Parental involvement is VERY important in the operation of the preschool. Extra help is always needed and parents are encouraged to be involved to enhance their child's early learning years.

Fundraising is an integral part of providing for our programs. All money raised through our fundraisers goes directly toward the Preschools programs and supplies. As of the 2013/14 school year, the Board of Directors has decided to waive the mandatory fundraising fee. This decision will run on a trial basis with the hope that it will encourage families to be involved in our various fundraising opportunities without the added pressure of instating a mandatory monetary goal. Our intent is to put the "fun" back into fundraising and help build stronger ties within the school rather than creating work. Your support on this trial run is much appreciated and will help make this an ongoing success. If at any time during the school year the Board feels that the preschools programs are at risk due to lack of sufficient fundraising they may be forced to re-instate the mandatory fundraising fee for all.

We require your \$40 non-refundable registration fee to be enclosed with your registration.

**~We require 30 Days written notice to withdraw your child. ~**

#### Outstanding Tuition

2 months in arrears tuition in question must be received before the child is allowed to resume classes.

**Please fill out the provided General Registration Form and submit it to the Preschool. Your child is not permitted to begin classes until all fees are collected and all pertinent forms are received by the Teachers and Registrar. If you have any questions or concerns regarding registration they can be directed to the registrar: [lflppreschool@gmail.com](mailto:lflppreschool@gmail.com)**

Thank you,  
LFLP Board of Directors
